

## **A unique opportunity to win the “Miller Migmatic 380DX” welding machine**

All visitors of the “Tech Industry 2015” exhibition will have a unique opportunity to take part in a lottery and win the “Miller Migmatic 380DX” professional welding machine! In order to take part in the lottery, you will simply have to exchange your invitation or ticket for an application at the lottery info stand, located in the entrance-hall of the exhibition centre. You have to fill out the application and throw it into the lottery urn. The lucky winner will be announced on Saturday, 28 November, at 14:00 at the exposition of the company “Mitausteel”.
